Chloe is
teen
perfection!**

Dreams Do Cum True

Dear Virgin Territory,

I can't believe you brought my favorite wank fantasy to reality with your feature "Chloe: Nursing a Cock" in your March '14 issue. I have a complete fetish for pretty, sweet, innocent, fresh-faced and cute, little blonde-haired student nurses, and I can't imagine anyone more perfect for that role than Chloe.

In my fantasy, I am in hospital after a bad accident effecting my arms and have been unable to wank or even touch my penis for a while. I feel I will explode with sexual frustration. The lovely student nurse Chloe comes into my cubicle to give me a bed bath and draws the curtains around the bed. Initially she looks very red faced and embarrassed as she pulls down my pajama bottoms to reveal my massive, meaty monster. She tries to remain professional as she gently handles it with her fingers and massages in the warm soap suds with a cloth. Then she draws back my fore-skin and gives me the most deliciously overwhelming sensations as she softly cleans my purple bell end.

Then of course the inevitable happens, and my cock swells up into a

huge, throbbing, engorged tree trunk of an erection. At first the poor, sweet, inexperienced girl doesn't know what to do with it and looks helplessly embarrassed. However,

just as I think she is about to rush out of the room her face turns from nervousness to pure lust and she drops to her knees, taking the whole of my gigantic todger right down the back of her throat!

I can't believe my eyes at the sight of this gorgeous, young student nurse ravenously licking and slurping on my massive cock. I have to suppress my moans of pleasure, but for several glorious minutes I am mesmerised by her expert skills in fellatio! When I think I can take no more, Chloe releases me and with a lovely smile hitches up her nurse's dress and eases off her white cotton panties—revealing her

perfect, smooth and hairless pussy! Then another most beautiful surprise: Climbing onto my bed, she opens her thighs and parks her hot, soaking wet labial flower firmly onto my face! It is the most erotic sensation imaginable to feel a beautiful, young girl's fleshy petals smearing her hot juices all over my face. I lick and suck on her vulva and clitoris for all that I'm worth, while she almost inaudibly moans with total enjoyment.

When it is all getting to be too much, she expertly eases her pussy down to my huge cock and very slowly impales herself right onto me. It is incredible to feel my cock fully engulfed by her soft, inviting, girly cunny. Very soon she is riding my cock like a bucking bronco—jumping up and down on my colossal manhood. Her athletic booty is writhing away, and we give each other the most vicious fucking! Just before I

can't take anymore, she slips off me and kneels in front of my cock, willing me to cum all over her face.

I have to say that you have succeeded in surpassing even my most erotic fantasy, and I don't think I have ever seen a more beautiful image than the final picture on page 95! You usually kindly reprint such images, so please show it again for the benefit of anyone that missed it! Chloe could not look more pretty, sweet and innocent. Her eyes display an extraordinary combination of astonishment, gratitude and pure, deep pleasure as the hot, creamy jizz explodes all over her tongue, mouth and chest. You have succeeded in creating absolute perfection in this photo!

There really cannot be a more beautiful image in all creation, and I thank you so much for finding a girl to make it a reality, and for sharing it with us all.—J.L., London, England.

Dear J.L.,

We love hearing that we've made fantasies come true. We're happy to reprint Chloe's photo for you and the rest of the readers.

Reader D.H. likes seeing girls like Carmen who are flat as a board and have cute, tight, little butt-holes!

81 was really good, and I loved how her butthole was gaping, but those tits just pulled me out of the zone. Let's stick with what works best. More flatties and tight, litte butts in *18eighteen!*—D.H., Reading, Pennsylvania

Dear D.H.,

We love flatties just as much as you do, but we also love variety. We've received several requests for busty girls, and we like to keep everyone happy. That's why we appreciate it when readers like you write in and tell us what you want to see.

Get Racy With Stacy

Dear Virgin Territory,

I've always loved your selection of models. Now I'm in love with one of them. Stacy from the April '14 issue is

Flattie Fan Weighs In

Dear Virgin Territory,

April '14 was a very good issue. Like usual, you guys got some of the sexiest-looking models to show us their goodies! I'm pretty jealous of your job—sitting around and looking at naked chicks seems amazing! There were a few models who really blew me away and a few who didn't, but I wouldn't turn any of them down if I met them on the street.

I really enjoyed seeing Ava and Carmen again. I have a thing for flatties, and neither one of them has much under their cute, little bras. I want my girls to be built like a board. I can imagine my tongue flicking Ava's nipples until they got hard, then putting her entire A-cup boob in my mouth. I'd bet she'd love that!

I really liked Megan until I saw her big boobs. It's too bad she's got those puppies on her chest because her body is perfect otherwise. I love her tan skin, black hair and brown eyes. It's like her body was made for cumming on! I could only really jerk off to her when she had her back turned and she was hiding those D-

cups. The shot on page

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

It's easy to love Stacy. She's blonde, innocent and tight!

everything I've ever hoped for, and I hope there is much more of her to come in the future.

She's got the face of an angel. That blonde hair would look so good on the pillow next to mine. I love seeing natural blondes in *18eighteen*. There are too many girls dyeing their hair, and I don't like it. These girls should stick with what they are naturally!

Stacy looks really inexperienced, too. That's a plus. I could teach her exactly how guys like to be kissed, jerked, sucked and fucked. I hope she does hardcore so I can imagine I'm the guy deep inside her twat. I might get jealous, though! She's my girl! She looks like such an innocent young lady, but she's so horny. I wish I could meet a girl like her.

I also love that she's a dancer. That's so hot! I want a private dance from her! I should probably go out to those clubs downtown if the girls look like Stacy! I would definitely be one of those guys she described staring at her ass all the time. Guilty as charged! I stared at her ass the entire time I was jacking off. So, I look forward to seeing more sets from the lovely Stacy.—W.B., Canberra, Australia

Dear W.B.,

Don't worry. We've got plenty of Stacy coming your way soon!

Old Styles Dye Hard

Dear Virgin Territory,

Please tell Ava to dye her hair back to the way it was. She was so good looking in the Halloween issue. I loved that contrast of light and dark hair. Like she said, it made her look more dangerous. It could have been the red jeans, too! She looked so open and free in the first photo shoot. Can you convince her to do the dye again?—H.G., via email

Ava was sporting an edgy two-tone hair-color in Holiday '13.

Dear H.G.,

These teen girls are so precocious and rebellious; she'll probably have a new color by next week! We'll let her know, though.

Think Before You Ink

Dear Virgin Territory,

Why are so many girls getting tattoos today? I know plenty of women my age who have a little ink, but it doesn't cover their whole ribcage. A little butterfly on the lower back is okay. I'd prefer it not exist, but it's not a big deal. Ashton's tattoo in the April '14 issue was way too large. I didn't even notice it at first, but it's hard to ignore on page 60. It's too bad, really. I would have loved cumming all over that picture. It's all good, though. I gave my load to Maci on page 67. I love when a girl puts her legs behind her head like that.—P.R., via email

Dear P.R.,

We agree, there's nothing sexier than a bare teen body! Except maybe a teen body covered in cum!

Girls Like Kristine

Dear Virgin Territory,

I'm writing in to request more of Kristine from the April '14 issue. I found her to be very lovely. Her skin was flawless and her hair was very silky looking. Her flat chest was so lickable and would be a perfect canvas for my cum. Also, her face looked like an angel's.

I had a summer tryst once with a girl who looked very similar. It didn't work out and we both moved on, but she is still in my memories, and I still wank while thinking about all the dirty fun we had. She loved giving me a nosh while I was driving, and I enjoyed it very much myself.

If we could see more of Kristine I would greatly appreciate it. If there were theme sets of her dressed like a punk or smoking it would be even better.—J.M., Preston, England

Dear J.M.,

We're glad you enjoyed Kristine so much. She was in our April '13 issue as well, which is available for order on page 11. She also starred in our DVD *Boned Brats*, available on page 9. Just to clarify for our other readers, Kristine's layout

Teen Facials

Dear Virgin Territory,

I love cumming all over a teen's face, but I've never had a girl as pretty as the ones in your magazines and DVDs! I love it when they get a thick stream of goo plastered their cheeks, noses and foreheads. It's not a good facial unless a little bit goes across the eyelids. Most facials in porn just hit the mouth or the cheek, but in real life they go everywhere! I mean, not all guys have the control and aim that

your studs do. After a fast, hard and wet blow job, holding on to my cock is like holding onto a fire hose! Some girls like it, and some girls don't. I'm happy to see girls like Mandy (from *Glazed Teens*), Carmen (from *Holiday '13*) and Lexee (from Feb. '13 and *Glazed Teens*) can find enjoyment in a big, messy faceful of jizz. Keep up the goo work!—K.D., Indianola, Iowa

Dear K.D.,

There are so many tantalizing ways to cover a teen with cum, but we have to admit seeing a girl's face covered in jizz is pretty satisfying.

Welcome to our mag, Ellie!

"Thanks so much for having me! This is all so new to me. I've never done anything this wild before. I've always been very outgoing, but in a different way. I've only had a few boyfriends and they're the only ones who've seen me naked. It would totally shock everybody I know if they saw me posing here for you! I don't mind the reputation I have now, but I'm not the good girl everybody thinks I am. I like to get dirty just like everyone else—I just like to share it with one person at a time. That sounds so funny to be saying after I've spread my pussy for a photoshoot!"

HEIGHT: 5'3" **WEIGHT:** 108 lbs.
BRA SIZE: 34C **BORN:** May 21
LIVES: Chicago, Illinois

So, what's the dirtiest thing you've ever done, Miss Good Girl?

"I don't have tons of experience in the bedroom, but I'm trying to get more! I had a pretty bad breakup recently and I'm through with dating for a while. Now I'm trying hookups for the first time ever. They're fun! I met one guy at a house party. He doesn't go to our school so I felt safe just letting loose with him. I let him lick my butt and finger me back there. That was definitely a first!"

Do you like being bad?

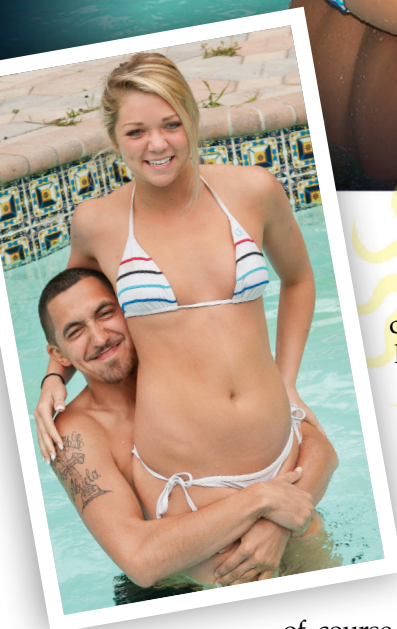

"It'll take some getting used to! I'm loving the sense of freedom I got from posing naked for you guys. I think every girl should try it at least once." Well, Ellie, we think our readers would agree with you, too!

IN THE HEAT

COME SUMMERTIME,
ALL THE GIRLS
ARE IN IT.

BY PAULINE WORTH

I get a steady uptick in correspondence once summer hits. The heat does things to people. And in my universe, “people” means ridiculously hot young girls who live for the season when they can show it all off (to be fair, I get pretty steady mail from South Florida all year long!). Putting it out there,

of course, means there’s more skin on show to tempt. It’s one of the reasons summer flings—or one-night stands—even exist at all.

For the youngest among us, though, summer comes with that added oomph of anonymity. Summer camp, summer jobs, partying it up, whatever it is the cute girls are doing—it’s an eight-or-so-week break from the usual: school. That means what happens on summer vacation stays in summer vacation.

Except when the young ladies in question share their sexcapades with me. Read on for three wild tales from girls who squeezed as much of the hot, juicy fun out of

their summers as they possibly could.

Committed...but Kinky

Kaylee, 18, and her friends had graduated just two weeks prior. And the former high school seniors had all kinds of teen steam to blow off.

“I begged my best friend, Caitlin, to have a pool party since her parents were away for the week,” the (mostly) good girl says. “After a few days of whining she eventually gave in and we planned a huge rager. Everyone at school showed up and it was amazing.”

By day’s end, though, the party had dwindled to about a dozen or so of their closest buds. Some were paired off and canoodling, some not. Kaylee and her beau, Josh, had been steadies since junior year. In fact, it hadn’t been that long since he’d won her long-sought-after cherry. “THAT was a fun night,” she giggles, “but the pool party was even better than that....”

It had been a crazy-fun day. Kaylee and her four besties (all petite blondes, just like her!) had gotten the same rainbow-striped string bikini for the occasion. “It’s dorky, but we have fun matchy-matchy!” she admits. All day long, they swam, relaxed in the sun, had chicken fights, played

volleyball in the pool...

"It was heaven. And I have to say the chicken fights got me all kinds of warmed up. Something about having Josh's head between my legs—even facing the wrong way—was super-sexy. My pussy was buzzing all day, but you know...everyone was there, people were already hooking up in the house, and I just wanted to hang out with my friends. I knew it would wait for later on."

And so when night fell, the last of the pizza had been scarfed down and most of the partiers had left, she and Josh slipped back into the pool alone for a little fun.

"His arms went right around my back and undid my top while we were kissing," she says. "At first I stood there with my hands over my little boobies—my nips were so stiff—and I think my whole body turned pink I was blushing so hard, but then I looked around and no one was there except Jeff and Samantha, who were making out in a lounge chair over near the pool cabana. I figured they had their own thing going on, and I was in the water, so how much could anyone see? I swam out to the deep end and it felt amazing. I'd never been in the water topless before!"

Her legs wrapped around Josh's waist—he was much taller and could stand out there—and felt the tip of his long, hard cock straining up to reach her. "The head was poking me in the bum!" she squeals. "I laughed and swam away, teasing him. Every time he caught me, we'd make out, and I could feel my pussy getting hotter in the cool water. He'd hook a finger around the string of my bottoms and whisper for me to take them off. I could feel myself weakening. I was caring less about who might be looking. I decided to give him a little show."

She went to the ladder and—just like Phoebe Cates in that classic scene from *Fast Times from Ridgemont High*—climbed seductively out of the pool. Topless. Her sexy nips were rock-hard and crinkled tight like pointy pink diamonds atop tiny breasts that put the "high" in high school girl. "I noticed Jeff and Samantha had stopped their petting session. Samantha was watching Jeff, but he was watching me. I could see his cock tenting his swim trunks. And wow—who knew it would happen—but I was beyond turned on."

She strolled confidently to the diving board and walked out to the edge and took a deep breath. What the hell? she thought, and slowly took them down; revealing a tiny, wet patch of dark blonde at her cunny, so small it just barely covered her moist, candy-sweet slit. Her legs parted as she began her dive. So, too, did her sugary pussy lips. Jeff was watching, pre-cum lathering the top of his cock. Josh was watching, his balls throb-

bing with anticipation. And now, a few more of her friends were watching, too, from the windows of Caitlin's house.

"I swam straight for Josh and eased his trunks down before coming up for air, my entire naked body rubbed the length of his prick before I wrapped my legs around him and kissed him hard," she says, her voice now husky. "He was inside me in a minute and I moaned. Now I knew everyone—maybe 10 or more people—were watching. Whoever hadn't heard we were fucking in the pool would have heard it by now. There are no secrets in high school. But that was over now. This was a new chapter and I had discovered in that minute how crazy-sexy it was to fool around and be part of a show at the same time. My cunny wrapped around him like a slick, wet glove and he bounced me up and down on his cock. No one could hear, but he was whispering in my ear about how amazing and sexy I was, and I could feel it. Everyone thought so. The boys wanted me. The girls were jealous. But I was pretty sure one or two of them would be touching themselves later wishing they'd been a part of it, too!"

He leaned her back, letting her body float there, holding her ass, sliding her pussy on and off his cock, and everyone could see it. It was a live sex show. He reached down and fingered her button how he knew she liked....

"And then I was cumming!" she says. "In front of everyone! Just letting go. Josh did, too, pulling it out and spilling it in Caitlin's pool." She would joke about that later, telling him he'd better go clean the pool before her parents got back. "It was the hottest thing ever. And now I can't smell sunscreen without my pussy getting wet."

Nanny Cam

When Joss wrote to me about her gig as an au pair this summer, I had to laugh. The very term conjures sultry, semi-illicit thoughts. Then I found out she was a pouty-lipped brunette from Quebec who spoke fluent French. Immediately, it got way less funny and about 10 times as hot. It's only a pity I can't properly capture this sexy 19-year-old's accented English in the story she recounted.

"I was hired out by an agency," she says, "so I didn't know much about the couple who were hiring me, only that they both had very busy jobs and their baby, a boy, was only six months old. It turned out they both worked downtown, very important jobs in the financial district. And Mommy traveled. A lot."

This put Joss at home alone, far more often, with the daddy.

"Immediately, I thought, 'This is a prob-

This put Joss at home alone, far more often, with the daddy.

lem,' because he was very handsome." Joss, it turns out, has a thing for silver foxes. "He had very nice salt-and-pepper hair, he kept his body in very good shape, and he had that confidence that older men have. You never see it in young guys. It's something about age that gives them wisdom and this idea that they don't need to go out of their way to impress. He was okay with himself. I liked him immediately."

And, she sensed, he liked her, as well.

"Our time out with the baby—except for the baby part—started to feel like dates to me. He was always respectful, but you know, he would find reasons to touch me, to push a hair out of my face if I was holding groceries, to put an arm around me if it began to rain. And wifey, I swear, she was never home...."

Joss found herself fantasizing about the Mister (she never did give me his name). Late at night, after coming in from time out with nanny friends or getting up to go to the baby, she'd sometimes find him up—either watching TV or working at the kitchen table—and after saying good night found he wouldn't leave her head.

"He was out there, just feet away from me, and I'd lie in bed and touch myself, fantasizing that he'd come into my room and slip under the blankets, pressing his mouth against my panties and breathing hotly on my *chatte* (I learned later this is a French word for "pussy"). And then I would imagine him just eating me and eating me until my wetness went down to the bed. I would cum, and then he and I would fuck, hard and slow, carefully staying quiet the whole time so no one would hear...."

One evening, Joss had fallen asleep in the rocker in the baby's room. "I woke up an hour later, I guessed. It was getting dark, and I had been having some sort of sexy dream, I guess, because I was very aroused." Half-dozing, her hand ran up the inside of her own thigh, slipping beneath the plush pink bathrobe she had on over her nightgown. "I honestly didn't really realize what I was doing," she admits. "I was truly half-asleep, but my libido was wide awake."

She began to touch herself. Slowly at first, but as her wetness grew ("My pussy gets very, very wet," she says, "I often wonder if

it's wetter than most girls. It is very sexy but it sort of makes me embarrassed.")

She spread her legs wider and felt the cool air of the bedroom on her pussy. "I had pulled my panties to the side, imagining that he was there in the room watching me. I was holding my lips apart with one hand, showing him how I liked to be touched with the other. I was getting very close to cumming, quiet in my chair, when I heard a small creak...."

The door opened slightly. It was him.

"It was nearly dark," she says. "I'd been sitting in the glow of the nightlight; my legs were apart over either side of the chair. I was so stunned I didn't

even make a move to cover myself. My heart was beating out of my chest."

And then he reached his hand out to her.

"It was a silent way of saying, 'Come with me,' so I got up and went."

He led her back to her own room, following her inside. She turned to face him.

"Our lips were nearly touching, and he held my face and told me, very carefully, that he had seen me on the video monitor."

In her sleepy state, Joss had forgotten all about it. She opened her mouth to apologize, and he kissed her.

"That was it," she says, "then it was on. Kissing, touching, the clothes all coming off in about a minute or less. His hands roamed my whole body, every curve, kissing my round nipples until they turned to stone, my belly, my hips, pulling me down on the carpet, biting my shoulder gently while he squeezed my ass hard. It was heaven. My body was a playground and he was like a child with his energy, but very much a man in practice. Another reason to love older men."

Then her dreams came true as he buried his face in her small dark triangle of fur, his nose parting her lips, mouth opening her pussy wider, finding her clit and sucking, tongue lapping, exploring...then fucking her. "He was fucking me with his tongue and his fingers, kissing it, eating it up. I mean, just like my dream, eating my pussy, making it wetter and wetter until I could hear him moving around inside it. The sounds alone were enough to set me off. And just like in my dream, I covered my mouth when I came, muffling the sounds."

And then he slid up on top of her, kissing her, letting her taste her sweetness on his mouth as his cock—"just as big, maybe bigger than my fantasy," she laughs—slid up inside her tight wetness. "I started talking in French, which I think he liked. Half on purpose, half because it is what I speak more often, and he started fucking me, holding me tight and pounding me hard—and I loved it."

The Missus, of course, wasn't home. There was no fear of getting caught. There was little worry about the baby hearing them. And so Joss began to let go.

"I started moaning," she says. "And I have never been too noisy in bed. But his cock, it went so deep and fit into my pussy so snug, I couldn't help it. It was touching places all the way up inside me. Then I remembered the full-length mirror on the back of my closet door. I pushed him up off me and got on my hands and knees. He got behind me and at first he teased me with it, rubbing his thing up and down on the little egg of my soaking wet mound, pressing it against my ass, tickling me. We looked at each other in the mirror and I giggled, then I pressed my ass back, begging with my body. In he went."

I started to grunt and moan and talk dirty, and he grabbed my hips with his big hands, fucking me harder and harder and we were watching it all in the mirror. I reached down to touch myself. And then I felt myself start to cum again. I was loud!

Having a good summer?

"Oh yeah, definitely. I've been working at a bikini car wash and making killer tips. One guy keeps coming back every day that I work and tips me 20 bucks every time. I make sure to get extra sudsy for him."

So, you give special treatment?

"Not that way! He's a little too old for me. I love older guys, but my limit is 30 years older than me. I do loosen my top and press my tits against his window, though. Everybody deserves a little eye candy! Plus, I don't mind showing off. I wear this little string bikini that doesn't leave much to the imagination. I love the attention I get. Guys will slow down, honk their horns and ask me for dates or whatever. I love being the girl every guy drools over."

Any summer flings?

"I've had a couple, actually. My friends and I rented this house on the beach so we could have a place to bring home randoms. I've had a couple of girls come back with me. I'm pretty handy around a cock, but I'm probably the best teenage pussy-licker in the whole city."

HEIGHT: 5'2" **WEIGHT:** 105 lbs.
BRA SIZE: 32A **BORN:** Feb. 14
LIVES: Phoenix, Arizona

Can we call you Skye-high?

"[Laughs] Because I joined the mile-high club? Absolutely! I loved doing something that naughty so close to other people. The flight attendant totally knew, but that made it much more exciting."

Are you a bad girl?

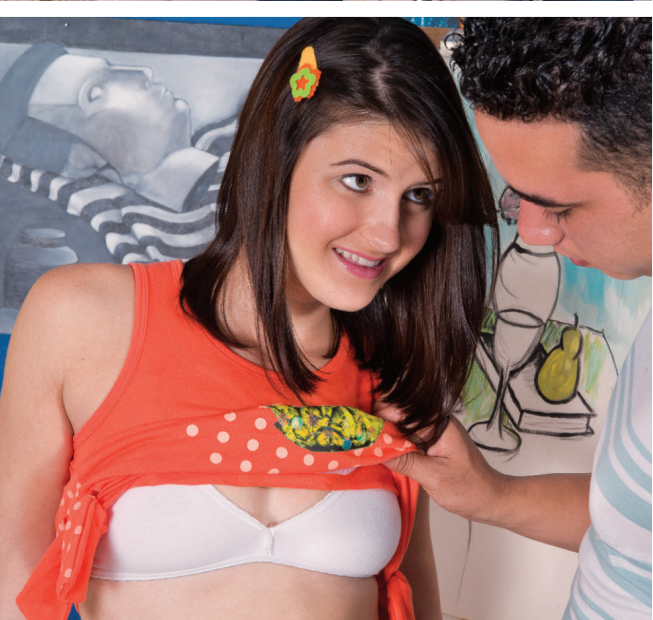

"Who's to say? [Laughs] I went to a really conservative Catholic high school, so some people might think I'm rebelling against that upbringing, but I've always thought of myself as independent and wanting to explore all that life has to offer. I lost my virginity in front of a crowd of other kids while they had a running commentary. It was hot being watched, and even hotter because I knew I was doing something that nobody else in my clique had done. I love being the first to do something. That's why I've got more sex skills than the average 18-year-old. I'm a master deep-throater, I love getting fucked and I'm multi-orgasmic."

You have to elaborate on that now. How many times can you cum?

"Nobody ever believes me when I say this, but when I was in high school I had 150 orgasms over a six hour period. It was very intense. I tell this to guys and they roll their eyes, but girls can cum without producing anything, so our bodies can just keep going. Towards the end it was way easier to get off, I would just touch my clit and cum. I couldn't walk the next day, but it was worth it!"

Olivia's a little strapped for summer cash.

Times are tough, and life can be expensive. So Olivia decided to respond to an online ad asking for art models. When she got to the studio she quickly realized that the job required nudity! "At first, I was a little nervous. The only models I've seen are really busty, like the girls in the *SCORE* mags my dad has under his bed, but the artist seemed into me. He helped me undress and everything! Then he started checking my skin for freckles and blemishes, running his hands over my boobs and onto my butt."

HEIGHT: 5'3" **WEIGHT:** 112 lbs.
BRA SIZE: 32B **BORN:** March 10
LIVES: Orlando, Florida

Olivia knew this would be a fun paycheck.

"I'm not stupid. I knew what he was doing, but it's summertime and I'm single so I figured I would let this hot artist use me as his muse. Besides, did you see his cock? It stretched my little pussy so wide I thought it would bust. It felt amazing!"

She loved her painting.

"Since we ended up fucking he didn't get a chance to paint me. But he did paint the inside of my cunny with his big load. And that just means that I have to come back so he can paint me again. He even mentioned that he's going to need a model every week this summer. I told him that I have a few friends who are looking for part-time work and he got this big ol' grin on his face. Maybe I can get a three-way going. I would love to have a pussy and a cock right in front of me—I could take turns servicing them both until he gave me another painting, this time all over me and my friend's face! That would be the best summertime job anybody's ever had."

And then he went, too, and I watched him shoot his cum all over my back and my ass. I think some made it all the way to the mirror! I collapsed, happy and exhausted."

Joss and her "boss" had a few more fun interludes over the summer. "We didn't discuss any future. There wasn't any. I was a girl. He was older, married. I was happy to have had the experience and for him to have me. I wasn't much interested in young guys before. I'm pretty sure from now on I won't date them at all."

The Hammock

Shereyla was on a summer vacation for the first time in her life. She'd never been out of the States, and now she was in the Caribbean. Of course, she was traveling with her mom, but that wasn't a problem. Mom was cool and fun. They spent lots of time together on the beach, shopping, whatever, but Mom liked a little alone time, too. And that was fine with Shereyla, who told me this tale over the phone. I'd received an email—and a photo—and reached out, but she was too shy for a meet up and didn't want to be recorded. She chose her own alias here. Henceforth, she told me, it would be her "vacation name."

She loved the resort they were at. Especially the balcony. Theirs got the sun all afternoon and there was a hammock just built for sunbathing. There were no nude beaches here, but on the top floor of the resort, Shereyla wasn't worried. She figured there'd be no one to see her unless the neighbors came out on theirs at the same time. And even then, there was a latticework partition between for privacy. They might not even notice.

The dark-skinned beauty was feline in the sun. She couldn't wait to get her "south of France" on and stripped off the bikini top the minute she was back in the room. Mom had stayed at the pool. She'd have plenty of time. She took a look at herself, all bronze-chocolate in the mirror save the tiny red bottoms she wore, round cheeks presenting themselves out of the back. She shook the long braids the women on the beach had wound into her hair

Even nerds deserve dick!

Jennifer's a bit of a nerd. There, we said it. But that's not necessarily a bad thing. While the popular kids at her school were out at parties, Jennifer and her friends were having "study" sessions. The only thing they were studying was dick! "There were only two guys in our clique so when we all started experimenting with sex they got a lot of pussy! Lucky them."

Did you have group sex?

"No! I've always wanted to, though. I had sex with two guys in one day, but I've never been with another girl. I've had offers before, but I really want to save that for a threesome."

HEIGHT: 4'10" **WEIGHT:** 92 lbs.
BRA SIZE: 32A **BORN:** Aug. 31
LIVES: Washington, New Jersey

You're really petite, Jennifer.

"[Laughs] Yeah, I know! It's a good thing and a bad thing. I'm really into big, bad boys with lean muscles, so I love how they can pick me up and spin me around. Then again, my pussy is really tight and kind of shallow. There's definitely a size limit on the cocks I can take!"

We love Asian teens!

Okay, granted, we love all teens, but there's something so exotic about a cute, young-looking Asian teen stripping off her clothes and giving us a view of her tight, pink pussy. It drives us wild. Mai is exactly what we look for, too. She's got the adorable face of an angel, a tight cunny, small tits and a snug, little asshole.

HEIGHT: 5'3" **WEIGHT:** 113 lbs.
BRA SIZE: 32A **BORN:** October 5
LIVES: Tokyo, Japan

Who needs to speak English when you know body language?

We had a little trouble talking to Mai, but with the help of a translator we fired off a few questions for her. We asked her what excites her the most in the bedroom. "I like being submissive. I love when the man knows what he wants of me, tells me and can cum by using me. That makes me feel good. I feel so grown-up and so much like a woman. I have had boyfriends who use my other holes like they would my vagina. I let a guy fuck me hard wherever he wants."

What's the dating scene like in Tokyo, Mai?

"I no longer date boys my age. They are too obsessed with stupid things, and not with me like they should be! I was dating an older man for a while, but found out he was married, which I don't like. Now I have a few friends with benefits, but mostly I masturbate. I'm probably masturbating four times a day!"

and listened to the small shells in them click like music. She looked good. An island-style beauty. She knew it. It kind of turned her on.

She stepped out onto the patio and let the sun touch her bare breasts for the first time. Incredible and warm, they hardened at the thought of such a public display. She hopped into the hammock and pressed the bottoms of her feet together, making a diamond shape with her long, lean legs. The sun warmed every inch of her, including that tiny strip of red fabric stretched across her Brazilian waxed puss. Her clit throbbed, growing bigger amid her purplish folds. This was definitely turning her on. Then came a crazy thought.

Could she touch it?

She cracked her almond-shaped eyes a bit.

Surely, no one would see her.

She reached a petite, manicured hand down between her legs and gently began to stroke her mound through the suit. Pressing a little. Cupping. Rubbing. She moved her hips a little and the swing of the hammock made it easy to create a rhythm. She wasn't just lying in the sun topless. She was masturbating on her balcony! She giggled, nipples hardening again. Bad girl, Shereyla. Vacation is changing you, she thought.

The music from her iPod changed. Heavy beats and bass. Stripper music if Shereyla was that type. She wasn't, but now she fantasized a little, imagining the idea of shaking her ass onstage for a bunch of horny men. No, you can't touch me. But I'll make your dicks hard, she thought, getting herself wetter. She could feel the dampness through her bikini bottom now. Her skin was blistery-hot. So was her pussy. It felt incredible.

Then, as the music changed again, this time to something a little slower, sexier, more R&B than hip hop, she shifted a bit in the hammock and cracked her eyes beneath the glamorous shades she was wearing and—her heart skipped—there was a boy, a man, a young man—on the other side of the partition. His body was dark and chiseled. He wore a small

Rebek's an exhibitionist.

This lovely redheaded Canadian has always loved to show off. "My friends all know I'm wild. I've always been the first to play truth-or-dare. I never cared what people dared me to do, either. One time I ordered a pizza and answered the door completely naked. The driver just stared at me with his mouth wide open! I think his cheeks got as red as my hair! Another time I was dared to put an ice cube in my friend Emily's pussy and lick it out. I was going to town on her, but she chickened out when she was supposed to go down on me. I'm still pretty disappointed. I haven't had another chance to be with a girl!"

So, you like being a bad girl, huh?

"I love doing things people think are dirty. I once had sex on a disc golf course. It was with my first boyfriend and only the second time I had ever had sex. We were walking through the woods and he sat down on a fallen tree and pulled his dick out. I gave him a blow job and swallowed his cum, but he was still horny so I climbed on top of him. It was the first time anybody ever came in me, too. I remember it being such a shock and feeling so good that I started to cum when I felt his balls tighten and shoot."

It's all for fun!

"I hate how people take things too seriously. Like, my friends are all getting really serious with their boyfriends and I'm like, 'Slow down! We're too young for all that!' I want to have as much fun as possible while I'm young. Like, I went on a couple of dates with this really cute, older guy who could have passed for my dad! We got the funniest stares when we went out. It was kind of a turn-on. I love dating and getting to know all different kinds of people."

suit, almost Olympic-swimmer style, the top of his cock was poking out the top, pressed against his flat belly. He was watching her.

A split second of panic turned into opportunity. He was there. She was here. And he didn't know she could see him. Surprising even herself, she pulled her bikini bottom to the side, revealing her smooth-shaven box, wet with sugary dew. She spread it open, giving him a good, long look as she played with one finger around each of the folds, sliding in and out of her pink, delicious hole. She used her finger to take that wetness up to her clit, now the size of a pink oval of bubblegum, swollen and begging for the touch she was giving it.

She brought a finger up to her lips, tasting her pussy for him—for herself—and wetting it even more, then going back down, going to town, rubbing it and finger-banging with the other hand. Watching him watch her,

pretty, glistening snatch and seeing him, shady in the background with his hard cock now in his hand. He was rubbing himself, too.

And then she came, hard, but quietly, watching him there, jerking it, with music filling her head. She lied there, relaxed, eyes still "closed" and let him finish, watching him standing there, legs and belly flexing while he came into a towel that had been hanging on a deck chair outside.

The best part? He waved goodbye before going back into his room. She gave me one quote. She squealed it in fact, she was laughing so hard.

"I just about died!"

Lucy's tight pussy gets a stretching.

Guys, meet Lucy Tyler, one of the most generous teens we've ever met. She's still pretty inexperienced sexually, but she's willing to try anything that pleases her man. "I love everything about sex, but if I had to pick the one thing that satisfies me the most, it would have to be making the guy cum while I'm doing the work. I love the feeling of his dick erupting after I've pushed him as far as his body will go. That's why I always swallow when I suck dick. I love the taste of cum, and I worked really hard to get that load! I'm not about to waste it!"

What else do you do, Lucy?

"I'll try anything! For instance, I'd never explored having butt-sex before, but I was hooking up with this guy for a while and he was obsessed with my ass. I started letting him lick me down there, and then finger me and now I'm pretty much the anal princess! I save it for special occasions, though."

How does our stud stack up?

"Oh my god! I've always been able to cum a bunch of times in a row. It's like my super power. I masturbate in the bathtub all the time, and I'll cum five or six times before the water turns cold, but this guy was amazing. I love when a guy knows how to start off slowly, letting me feel every inch of his cock enter my pussy, then turns on the jets and pounds me hard. That's what changes normal sex into crazy multi-orgasmic sex. I must have cum a half-dozen times before he blew his load in my cunny. That was amazing, too. I love feeling hot jizz slowly ooze out of my fucked pussy."
